

MD R RAFI

I am a dedicated civil engineering student with strong technical and soft skills. Proficient in AutoCAD, GIS, and estimation and costing, I bring accuracy and detail to every project. My communication skills enable effective teamwork and clear idea conveyance. Additionally, I excel in Microsoft Office and complex problem-solving. Passionate about civil competitions, I actively pursue them as a hobby. I am eager to apply my knowledge and skills in a practical, real-world environment to contribute to the success of engineering projects.
